FORMAT

Drivers will be seeded into groups of two and then randomly drawn for time trials, time trials will be two cars at a time for 2 laps. Any driver that does not record a time in time trials will go to the rear of both of their heats.

The first round of heats will be determined by the fastest qualifier to the front of heat 1, second highest qualifier to the front of heat 2 etc

The second round of heats will be determined by inverting the first round draw and moving rows to different heats.

There will be 4 cars to transfer from the C Main to the rear of the B Main.

There will be 4 cars to transfer from the B Main to the rear of the A Main.

The A Main will consist of 18 cars.

Heat races will be conducted over 10 laps, C Main 12 laps, B main 15 laps and the A Main will be 30 laps. There will be **no** reserves for the C, B Mains or A Main.

POINTS SCHEDULE

The following example is based on 4 heats, if there are more than 48 cars the time trial points will be grouped in blocks of 5 instead of 4 etc.

To split any cars on equal points the car that has recorded the fastest lap during time trials, using the transponder system, will be deemed the higher qualifier.
